

Interski's commitment to its popular schools and colleges snowsport programme extends to offering a discounted lesson to every student booked on an Interski snowsport course.

This exclusive scheme, in partnership with a selection of the top snowsport centres in the UK, ensures that every pupil has the opportunity to master the basic skills prior to their snowsport course in Italy with Interski.

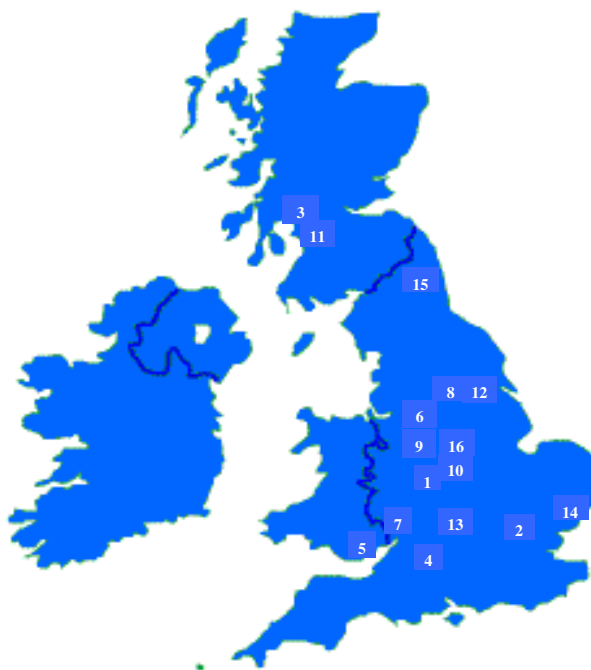

With the snowsport equipment provided and under the watchful eye of a qualified instructor, each pupil will learn in a class of their own ability.

#### How to take part:

1. Book your Interski snowsport course
2. Confirm your booking with a £75 per person deposit and receive a list of all participating slopes
3. Call one of the slopes listed overleaf and arrange your group lesson
