

## November Performance Course 2018/19

### Flights

Please call the UK office with your proposed flight times before booking.

If return flights are not available to your chosen destination on the Saturday we can arrange 1 extra night's accommodation and for your return airport transfer to be on the Sunday. The extra night's accommodation will be payable on arrival at the hotel. The extra night's accommodation will be based in Aosta.

### Single Room Requests

Due to the size of the hotel we can accommodate up to 4 single rooms requests per week. These will be allocated on a first come first served basis.

### Instructor Licence

Please make sure you bring with you your instructor licence. We may need this to purchase your lift pass

### Ski Hire

Those requesting skis for the week will need to notify the UK office of the size of skis, poles, ski boot sole length and preferred DIN setting prior to arrival. This service is included in the price of the package. The equipment will be waiting for you in resort upon arrival at the hotel. It is the responsibly of the client to ensure the skis are returned to Interski without damage at the end of the week. Hired skis that are damaged or stolen will have to be paid for.
