TRAVEL EYE: A TOOL THAT HELPS YOU BEFORE AND DURING YOUR TRIPS, BUT ALSO AT YOUR SIDE IN CASE OF EMERGENCY

✓ Before your trip, you can get information and advice about your destination country, you can create alerts to be informed in real time of important events

✓ During your trip, you can access the AXA Partners medical network and find the practitioner you need simply by accessing the Medical Network section of the app or web platform.

✓ In an emergency, you can access the hotline quickly by pressing the emergency button on the top left of the app or platform.

↓
