SCHOOLS & COLLEGES

## FREE AMENDMENTS, FLEXIBILITY & REFUNDS GUARANTEED

We understand that it's difficult to commit to booking a school trip at the moment with so much uncertainty in the world. We also know that everyone can't wait for a return to normal. Organising a school ski trip is a great way to give you and your students a much needed boost of excitement and something to look forward to.

To help you do this with absolute confidence, we have been working hard to create our 'Peace of Mind Guarantee' which is an additional benefit to our standard terms and conditions, giving you the extra flexibility and security you need to make your booking...

## FREE AMENDMENTS / FLEXIBILITY

Up to the 21st July 2021, you can transfer your booking for Winter 2021/22 (coach or own transport) to an alternative date during the same season, or to a date in the following season (Winter 2022/23), giving you total flexibility over your booking.

If your booking is by air, this can also be amended up to the 21st July 2021 if we have not yet booked the flights. We will consult with you prior to booking flights to ensure you have the flexibility you need.

## REFUND GUARANTEE

We fully understand there are circumstances that may make it difficult for you to transfer your booking to a different date or season. We're therefore pleased to offer your group the opportunity to cancel your booking with refunds guaranteed, allowing you to book with complete confidence. This refund guarantee will be activated should certain restrictions be in force at any point up to the 21st July 2021 – please see the refund activation list below.

## REFUND ACTIVATION

You will automatically have the right to cancel your booking and be refunded should any of the following restrictions be in place up to the 21st July 2021.

- The FCDO advising against all but essential travel to Italy, or a country en-route that we cannot avoid in your travel arrangements
- The Department for Education advising against overnight residential stays or foreign travel, which is, or likely to be, in place at the time of your departure date
- The requirement to quarantine on arrival into Italy or on your return to the UK
- National or regional lockdowns in the UK which prevent travel
- Social distancing measures which would make group travel unfeasible

## FINANCIAL PROTECTION

We're an ABTA member, we hold an ATOL licence, we're fully assured members of the School Travel Forum and we hold a Learning Outside the Classroom Quality Badge. We are a company you can trust to deliver the best experience, act in your best interests and you can book with confidence knowing your money is safe and protected.

## SINCE 1983

We've been taking passengers to Italy for first class snowsports experiences for nearly 40 years and will be doing so for another 40 years... and beyond! Our dedication to exceptional customer service and enviable reputation give you the peace of mind and confidence to book with us.

## TERMS & CONDITIONS

Applies only to bookings on our Schools & Colleges packages for travel during Winter 2021/22. Requests to amend a booking or to cancel a booking and request a refund under this variation must be made in writing from the named party leader and received by us no later than 17:00 on 21st July 2021. Amendments and cancellations must apply to the whole group – individuals will fall under normal terms and conditions. Amendments are limited to one per booking and are subject to availability and price differentials. Bookings by air do not qualify for full refunds under this guarantee after flights have been booked but we'll contact you prior to booking any flights.. Other than these variations, standard terms and conditions apply. Your rights under the Package Travel Regulations are not affected.
