

# HOTEL MONTE ALBA

- Meeting & games room
- Free Wi-fi
- Indoor swimming pool
- Ski in / ski out

Locations don't get much better than this! The 4\* Monte Alba sits just above the main chairlift and is less than 300m walk from the front door to the ski lift!

The hotel is perfect for groups of all sizes, but can easily accommodate larger groups of 100+. The overall standard of the accommodation is very high and offers a great setting for a school ski trip. Sitting at just over 1500m above sea level, there is no question that this is a 'mountain' hotel, which is great for ensuring students adjust quickly to the altitude.

The restaurant is split into two separate dining areas and all meals are buffet style which means food is not only plentiful, but choice is vast guaranteeing that even the fussiest eaters are catered for. In addition to the restaurant, the hotel has a very large bar area which even extends on to a large terrace overlooking the ski slopes. There is also another separate meeting room, a games room and a fabulous indoor/outdoor swimming pool!
