

HOTEL SOMMOS SPA

- Free Wi-fi
- Indoor swimming pool

The Hotel Sommos Spa is the first hotel we have used located outside the ski resort and village of Cerler.

Instead this lovely hotel is in the small town of Benasque, just towards the bottom of the mountain. The ski area is accessed either via daily coach transfer, taking less than 10 minutes, or via the newly installed gondola that whisks skiers from the valley floor to the base of the ski area in a matter of minutes. The small town of Benasque is a very quiet and peaceful place, ideal for giving students some freedom to explore a safe environment.

The hotel is well appointed and a very high standard for school trips. The food is served in a buffet style with great choice and plentiful quantities. Rooms are a mixture of twins, triples and quads.

Please note, the Hotel Sommos is only available on a limited number of weeks each winter - others may be available on request.
