November 2018

The Hotel Telecabine is situated in an excellent location, just near the beautiful town centre of Courmayeur.

The 20 minute walk into town allows groups to wonder in and out of the hotel as they please without having to worry about a pick up time. As well as this, it is also only a 10 minute walk from the gondola station that Interski use to access the mountain. The walk leads you through the historical cobbled streets of Dolonne, where every crevice reveals something new.

The hotel itself offers a welcoming atmosphere, with a hearty continental breakfast and a substantial three course evening meal. A large socialising area plays host to Wi-fi, a snooker table, table tennis and bar, ideal for large groups of any age. Rooms are for 3 or 4.

The Telecabine can accommodate both small and large groups alike with a maximum of 120 guests. This 3* hotel runs to all of Interski's specifications and is one of our most popular hotels.
