## HOTEL VALDIGNE

The 2\* Hotel Valdigne has been part of the Interski programme since the beginning, over 35 years ago, and is situated on the edge of the village of Morgex, just 15 minutes by coach from the Courmayeur cable car.

The village of Morgex is a cluster of stone houses, shops, banks, churches, ice cream parlours, etc.

You won't find a harder worker than Adelino, the hotelier. She seems to work every hour of the day (and night!) to ensure that Interski clients are well looked after. Her sons manage the restaurant, where food is of a high quality and very plentiful! The rooms are for 2, 3 or 4 people and all have private facilities and some have balconies. The hotel also has a comfortable bar, a lift and good meeting room facilities. There is a large supermarket just across the road from the hotel.
