- Only 650m walk to the Funicamp telecabina
- Deceptively large hotel, ideal for groups of all sizes
- Quiet village setting
- Large basement meeting room

The part of the Encamp village where the Hotel Oros sits, is a quiet place with a handful of shops, a sports centre and small park. The quiet position of the hotel is great for school groups and its proximity to the Funicamp gondola could not be better.

The rooms are modern and comfortable and offer a range of twin, triple and quads giving you plenty of flexibility over allocating your group to rooms. All rooms have TVs and private bathroom facilities and free wi-fi is available throughout the entire hotel.

The restaurant offers meals on a buffet basis, offering guests an incredible choice of hot and cold food. Breakfasts offer a vast choice of continental and hot foods, as well as fresh fruit and variety of beverages - perfect to ensure skiers are well nourished for each ski day.

This hotel ticks many of the boxes that we know our school groups look for when choosing the right accommodation for their group.
