## HOTEL PANORAMIQUE

A beautiful hotel situated amongst vineyards on the hillside overlooking Aosta, the 3\* Hotel Panoramique will appeal to any schools or colleges looking for a peaceful location. The hotel resembles a country house with a French flavour and stands in its own grounds with a breathtaking view over some of the most impressive mountains in Europe. The wonderful lounge and bar area, with its open fire, provides a very warm and friendly welcome on your return from your day on the slopes and is an ideal place in which to relax. There is also a games/meeting room.

The bedrooms are superb, all with private facilities, telephone and colour TV and are mostly for 2-3 people. Most rooms have balconies and fantastic views across the valley to the Pila ski area. The hotel is approximately 15 minutes away from the Pila gondola by coach and there are a few shops and bars in the vicinity.

Our normal allocation is for 47 beds but this can be increased to 49 for groups able to make use of double beds.
